Welcome to Kingdom Acres first annual Spring on the Farm Celebration! The sale is open to the public and admission is free to shoppers. Kingdom Acres is located just outside of Bell Buckle, TN. (<https://kingdomacrescbd hemp.com>)

We are accepting applications from now until one week before the event. We are seeking vendors with unique items for sale and we are also offering workshop opportunities to vendors. We hope to provide a unique shopping and learning experience for our customers with one-of-a-kind, in style, high quality goods. Goods may include vintage, antique, or handmade items, as well as arts and crafts. We look for friendly vendors for our customers.

All vendors will set up in outdoor areas. Booth size is approximately 10 ft x 10 ft or 10 ft x 20 ft. This booth price is \$50 for the 10' x 10" space without electricity or \$75 for a 10' x 20' space without electricity. The cost is an extra \$20 if you want access to electricity for the two days on either size booth. The larger booth space can be used if you have significant inventory or will allow for vendors to conduct workshops at their booths off and on throughout the day. Larger booth sizes (over 10' x 20') will be approved on a case-by-case basis and will incur additional fees. Each exhibitor is responsible for all materials needed for set up including tables, chairs, and tents). Tents must be properly weighted or staked to the ground. We encourage creative, inviting displays fashioning the latest trends and ideas. Booths should resemble a small store. **This is not a flea market or garage sale.**

Set up on Friday, April 23rd, is from 12:00 noon - 3:00 pm. Plan to open your booth and ready to sell and demonstrate (if you like, this is optional) by 4:00. Prior to opening hours, please unload and move your vehicle to the area for vendor parking. Please park in the vendor parking area Friday evening and Saturday.

Kingdom Acres and its employees are not responsible for any items brought to the farm. We are not responsible for missing or broken items in your booth. All booths must remain open during show hours. Space is assigned as applications are selected. (All spaces are outside.) Limited electricity is available for some booths. Kingdom Acres is unable to control the weather. Therefore, any inclement weather that negatively impacts the sale will be outside our control. Fees will not be refunded or prorated.
